Administrative history / Biographical sketch

Note

Wesley United Church, initially of Methodist denomination, was organized as an independent charge in 1875. A first church was erected in 1876-77 in Beebe. Fifteen years later, it became too small for the growing community, and another church was built in 1891. In 1925, when the United Church of Canada was founded, amalgamating Methodist, Presbyterian and Congregational Churches, the Wesley Methodist Church in Beebe decided to join the Union. Wesley United Church has been strongly connected to the Graniteville United Church for some years. Since 1981 or 1982, the Church has been part of the United Steeples Pastoral Charge, which includes also Centenary United Church (Stanstead), Stanstead South United Church (Rock Island) and Graniteville United Church. Wesley United Church in Beebe is under the jurisdiction of the Quebec and Sherbrooke Presbytery of the Montreal and Ottawa Conference of the United Church of Canada. The Church is governed by the Official Board, the Session, the Board of Stewards, the Board of Trustees, a Joint Board and the Congregation in co-operation with committees and organizations within the Church, such as the Sunday School, the United Church Women and the Young People's Society.

Facing financial difficulties and a decreasing membership, the congregation of Wesley United Church decided to sell the building. The last service was held in Wesley United Church on 15 April 2007 and the building was sold 30 April 2007 to musicians to be made into a private residence and concert hall.
