

That the bearer John Ewing, is a native
of this parish, and resided in it for many years—
that he was married during his residence in this
parish, to Lean Carter his present wife. That his
daughter Mary was born in this parish and
baptized by me. And that the said John Ewing and
Lean Carter his wife did during their residence in
this parish uniformly maintain irreproachable char-
acters (as far as is known to me) and left it free from
scandal or grounds of Church censure and in full
communion with the church. is attested by
