

Ottawa, 12th. May, 1908.

Dear Mr. Miller,-

I received your very kind letter on the very same day that the delegation which it announced called on me. It was a pleasure for me to see so many old friends from the county of Drummond and it would have been a greater pleasure yet to me if you had been part of the delegation. We are all getting older, but I entertain the hope that your health is not deserting you, even in advancing years.

Believe me as ever,

dear Mr. Miller,

Yours very sincerely,

Wilfrid Laurier
