The Eastern Townships, oftentimes called "The New England of Canada", also "The Garden of the Province", was first settled in 1774 by the United Empire Loyalists.

Then came the French Canadians from the Seigneuries, and these pioneers, representatives of two great nations, British and French, have given to us a noble heritage. It is for us to hold and treasure, then pass on, even better than we found it, to those who shall come after us.

In the dear old Hub of Sher-brooke,

And Love calls to you and me. In the fair St. Francis;
Where the Ma-gog reigns su-prene; Or in Knowl-ton's qui-et;
From our dai-ly toil and care; In the sum-mer, in the

In the ha-zy Au-tum splen-dor, And the world is filled with dreams.
Where the o-pen road still beck-ons, Is the Land we hold most dear.
Calls us from the West and South lands To the homes we love so well,
